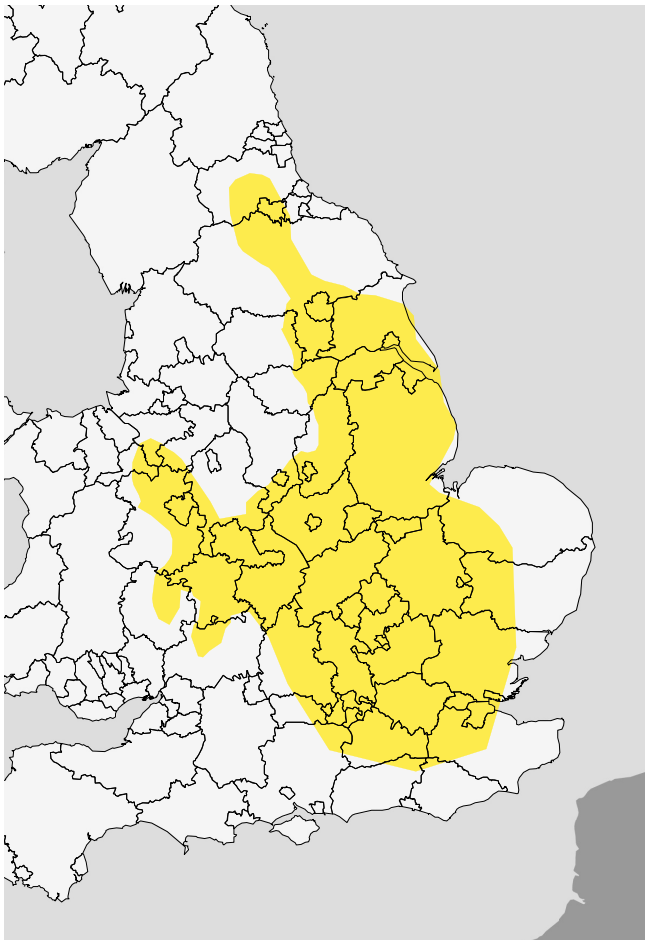
Yellow warning
Fog

Between
19:00 Fri 14 Jan 2022 and
11:00 Sat 15 Jan 2022



Fog patches leading to some travel disruption.

What to expect

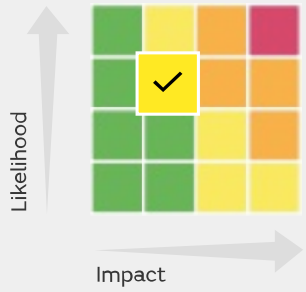
- Impaired visibility leading to hazardous driving conditions in places, and probable slower journey times especially by road; Delays to bus and train services are possible
- There is a chance of delays or cancellations to flights

Further details

Not everywhere will see fog patches, but where they do occur they may be dense with visibilities dropping to between 50 and 100 metres in a few spots. Conditions should slowly improve on Saturday, although a few areas of fog may last until afternoon across the east of the warning area.

Reason for update

The warning area has been expanded, mainly to cover southeast England.



Medium likelihood of low impacts
